Merlot & Merlot Blends

Merlot is a red grape that is used both as a blending grape and for varietal wines. Merlot based wines usually have medium body with hints of berry, plum and currant. Its softness and fleshiness, combined with early ripening, makes Merlot an ideal grape to blend with the late-ripening Cabernet Sauvignon.

Shiraz | Shiraz Blends

In 1831, the Scotsman James Busby, often called “the Father of Australian viticulture”, made a trip back to Europe to collect cuttings from vines (primarily from France and Spain) for introduction to Australia. The cuttings were planted in the Sydney Botanical Gardens, and in Hunter Valley, and in 1839 brought from Sydney to South Australia.

2010 Yalumba *The Octavius* Shiraz

Barossa Valley, SA

With only five available in Australia, the 2010 "The Octavius" is truly a rare wine.

Even when the grapes were in the fermenters, winemaker Kevin Glastonbury knew he had something special. Deep purple hues and depth of colour. This is spicy with plums and dark chocolates. Red, crunchy currents, rhubarb and pomegranate shine through.

The Octavius is firm and concentrated, tight and compact, but with a neat acid line and balanced with grainy tannins. This is one of the greatest.

3L Double Magnum \$1200

Dessert Wine

Semillon and Riesling produce most of Australia's 'sticky' wines. We offer a selection of Botrytis or "Noble Styles" where the Botrytis fungus attacks the grapes and increases their sugar levels. These wines show complex characters of lemon, apricot and honey. Cordon or Cane Cut, are where the vine branches (cordons) are cut and the fruit is cut off from the nutrients of the rest of the vine increasing the sugars in the grape, often producing a lighter style than Noble rot wines.

		Glass 90ml	Bottle
2015 Elderton Golden Semillon	Barossa Valley, SA	15	56
A fine green-gold colour with rich fruit power, this wine also exhibits botrytis influence. A refined palate of cumquat, wild honey, quince and pear characters offset by clean and long lingering acidity.			
2013 Gramps Botrytis	Barossa Valley, SA		49
Gramp's Botrytis Semillon is deep golden in colour and displays intense apricot and marmalade botrytis fruit flavours and a luscious lingering finish.			
NV Tyrrell's Aged Liqueur Verdelho - 500ml	Hunter Valley, SA		65
A traditional and unique Hunter Valley fortified made from partially fermented Verdelho grapes and a high quality, nine year old brandy spirit. Matured in small French oak barrels for approximately ten years resulting in a full flavoured and character filled dessert wine with a long and smooth finish.			
2014 Vasse Felix Cane Cut Semillon	Margaret River, WA		59
Vasse Felix Cane Cut is produced from Semillon using the Cane Cut method, where each fruiting cane is detached from the vine. The bunches are left hanging until the fruit has dried and concentrated in flavour and sugar. Once harvested and pressed, a portion of the juice is fermented in French oak. The lovely viscous, silky mouthfeel with focused mineral acidity results in a truly delicious dessert wine.			
2010 Carmes de Rieussec	Sauternes, France		70
Brilliant golden colour with pale gold hue. The nose shows excellent intensity with lifted scents of ripe peach, apricot and honey followed by some tropical fruit and spice notes. Thick, luscious and very concentrated the palate boasts superb richness with mouth-filling flavours of honey, ripe peach and tropical fruits followed by some honeycomb and spice.			

Port & Sherry

When Sherry is made, the fermentation process is allowed to run its course before brandy is added, but when Port is made, brandy is added during fermentation. This means that Sherry is drier and Port normally sweeter.
